

SUPPORT THE MISSION OF SCGC

Since 1963 the Sewickley Civic Garden Council (SCGC) has worked toward improving Sewickley public spaces through the planting and maintenance of landscape material, and to encourage appreciation of nature through educational programs. The money raised by SCGC goes to the planting and maintenance of the flower baskets that hang throughout the Sewickley business district in the summer, as well as yearly grants to support local conservation, horticulture, and beautification efforts.

Your donation will help us fulfill our mission to make Sewickley a more beautiful place to live.
